LEASE MEMBERS WANTED IN OSCEOLA COUNTY

Buckstrand Hunt Club is looking for new members! We had a great year with great expectations for the future. Located in Osceola County, west of Melbourne, east of St. Cloud. Visit our website at www.buckstrandhuntclub.com. Our amenities include a large cleaning deck with stainless steel sinks and counters, with running water, large walk-in cooler, hoist, and lights for night work. Many of our members process their own meat, with cubers and grinders available. We have a 200 yard shooting range for target shooting, including clay pigeons, and for sighting in your hunting weapons. We have plenty of deer, hogs, coyote, bobcat, quail, doves, and lots of turkeys! We have had another great year of turkey hunting. Flocks of 30 birds or more have been seen feeding through the hunting areas with regularity! For the fishermen out there, we have plenty of ponds and canals brimming with fish. Among the staples of bass, pan fish, and catfish, there are some canals full of tilapia, gar, and a variety of other fish. Our deer feeding program has taken hold with a noticeable improvement in the quality of the deer harvested, both from the standpoint of body weight and antler size. We saw a marked increase in body weight this year up to 165 pounds! We have very reasonable antler and age restrictions that are creating a population of deer with mature bucks available. We are looking for new members who are interested in maintaining a feeder on the lease. Buckstrand Hunt Club is a family oriented group, with husband and wife teams on the lease. We love to see the kids and grandkids out there, learning the ways of the outdoors, and starting off in life with the right values. We have at least two planned camp parties a year for excellent family fun, and impromptu gatherings are a regular event at our camp. Whether beginner or expert, you will find hunters of all skill levels on our lease. From, help with information about local hunting conditions, recommendations and help with firearms, bows, and muzzleloaders, to spinning yarns; this is the place to be. If interested, please call our Lease Holder, John Fischer at 407-496-5022 or email him at buckstrand@live.com. We look forward to hearing from you. 06/16CCTF
